4100

Tom,

SHOULD THE FERRI SURVEYS STAR, THE SGT SHOULD DISCUSS THEM. PRIOR TO SUCH AN EVENTUALITY, I NOTICED A LIGHT TRACE AS SO (1) OVER THE WHITE CASTLE. I ALSO NOTICED A UV SPOT ON THE REAR WHEEL OF A PASSING CAR.

7:25 PM — A SENSE OF A WINK: A SMALL DISTURBANCE ON THE UPPER SPIRAL OF THIS TABLET.

12:00 AM — (⊙) BARELY DISCERNABLE: "JIFFY" IN DIGITAL FORMAT: (⚡) IN UV.

4:20 AM — A NUMBER OF PEOPLE WITH HANDGUNS, SOME OF WHICH DIDN'T WORK: AN OIL RIG IN SOBER DISREPAIR: A V-8 MOTOR WITH LOOSE SPARK PLUGS AND GUM IN THE COMBUSTION CHAMBER: A HOUSE WITH A LARGE NUMBER OF CATS IN THE CELLAR. IT SEEMED TO BE PART OF A HORROR FILM.: A WHITE SPLINTER ON THE EDGE OF A CURB: THE SQUARE COVER ON THE STREET WHERE I DUMP MY CIGARETTE BUTTS: A BLUE TRUCK WITH AN ORANGE (☺) ON THE DOOR: A LIGHT GREEN PHUNOME OF LIGHT: A FLURRY TOO FAST TO FOLLOW: A UV FLUR ON THE TOP OF A CAR, SECOND IN A ROW.

I'LL LEAVE THE ANALYSIS TO THE SGT.

GIVEN THE SCALE OF OPPORTUNITIES BEFORE US, I URGE THE SGT TO END THE EARLY OF THESE LEGAL PROCEEDINGS WITH OPERATION SPARK ELIMINATION AND COLLUDE:

- THE FULL RECOVERY FROM MY CASE OF NEURAL PARANOIA.
- KOSTER vs THE UNITED STATES, vs NEW YORK STATE, vs CONNECTICUT, AND vs UNION CARBIDE. (THINK DENTISTRY)

Paul Kuster
