

Tom,

SHOULD THE DENOTICES SUR THE 1/4T INHOLD DENOTES FROM PRIOR TO 5/04.
AN EVENTUALLY, I NOTICED:

PREVIEW:

THE NUMBERS OF MY DIGITAL CLOCK TURNED GOLD, FOLLOWING
WHICH A BLACK/QUARTZ ICEER BALL AND SEVERAL GOLD ALARM
CLOCKS FLICKERED INTO THE CARTESIANS: MY STONE LL BEAN
TROUSERS AND CHARTS TOOK OFF AND RETURNED, POSSIBLY
A QUICK TOUR: WE MAY CONCLUDE:

- THE 10-12-98 PROPOSITION SHOULD BE EXTENDED TO
DIAGNOSTICS OF INFRASTRUCTURE PROBLEMS IN
THE ENTIRE DOMAIN OF THE BLACK ORCHID.

- APPLICATION OF SOLUTIONS FOUND WITH THESE DIAGNOSTICS
WOULD ASSIST THE BLACK ORCHID IN THE EFFORT TO (I)
"ROUND UP THE STRAYS" AND (II) IMPROVE THE EFFORT
TO DEVELOP A SYNERGISTIC RELATIONSHIP WITH
HOMO SAPIENS AND RELATED SPECIES TO ENABLE
EXECUTION OF THE 12-24-86 PMZ AGENDA.

TWO BLACK/QUARTZ ICEER BALLS APPEARED UNDER "STONE
LL BEAN" AND A FEW STRAWS FLICKERED INTO THE CARTESIANS,
IMMEDIATELY TWO BLACK BET'S APPEARED ON THIS PAGE, REINFORCING
BALANCE ON THE HOLOGRAMS WITH SUBSEQUENT HARD COPY.

YOU SHOULD EVALUATE THIS...
