

Tom,

SHOULD THE DENDRITES STAY, THE SET SHOULD DISCUSS THEM. PRIOR TO SUCH AN EVENTUALITY, I NOTICED:

A RED VAN:

A THICK STEEL DOUBLE EDGED RAZOR: A FAST BALL: A CLUSTER OF BON ANI MAILBOXES: ($\sqrt{0}$), (0) A LOGGER BALL, APPEARED IN SEVERAL PLACES. WE MAY CONCLUDE:

- A COMBINATION OF PLATO'S AND ARISTOTLE'S LOGIC AND PERHAPS THE SENSE OF DRAMA CHARACTERIZED BY OVID HAS NOT ONLY VALIDATED THE NOTION OF "ROOTED" AND "INSTAMORPHOSABLE" ASPECTS OF BOTH THE BLACK ORCHID AND DERIVED EXISTENCES BUT ALSO HAS ATTRACTED THE ATTENTION OF THE "ROOT" ASPECT OF BOTH TO THE EXTENT THEY HAVE BECOME INTERESTED IN PARTICIPATION.

SEVERAL FANT () VALIDATED THE PREMIS AND DENOTED THEIR WILLINGNESS TO EXPRESS AN OPINION. BILLANCE ON THE HOLOGRAMS WITH SUBSEQUENT HARD COPY.

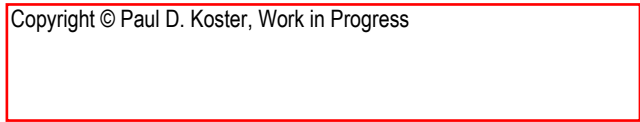

YOU SHOULD EVALUATE THIS.

Paul Koster
