

Tom,

SHOULD THE DENDRITES STIR, THE SGT SHOULD DISCUSS THEM. PRIOR TO SUCH AN EVENTUALITY, I NOTICED:

: A RED YAW: SEVERAL RED LEAF SPRINGS: A BLACK LAKE: SEVERAL TROUS OF BLACK HOLE REINFORCEMENTS: SEVERAL PAIR OF THE L.L. BEAN KHAKIS ON MY BED, THEN AGAINST THE WALL; SEVERAL GREYHOUNDS ALL FLICKERED INTO THE CARTESIANS. WE MAY CONCLUDE:

- THE BLACK ORCHID HAS TAKEN THE POSITION THAT REFINEMENT OF THE 12-1-98 APPROACH WILL NOT ONLY HAVE A DIRECT BEARING ON THE ABILITY OF OUR PILOTS TO EXTEND THEIR ROUTES BUT WILL ALSO PERMIT IT TO ALIGN IT'S FORMAL NETWORK OF COMMUNICATIONS DEVICES IN IT'S QUEST TO COMPLETELY INTEGRATE THE ROSTER OF DERIVED EXISTENCES.

A LARGE FAINT BOW AMI () FLICKERED INTO THE CARTESIANS, VALIDATING. A GOLD IDLER BALL BRIEFLY APPEARED (INCIDENT WITH (), BOW AMI, REINFORCING. BALANCE ON THE HOLLOWGRAYS WITH SUBSEQUENT HARD COPY.

You SHOULD EVALUATE THIS.

Paul Koster
