Tom,

SHOULD THE DENDRITES STIR, THE SFT SHOULD DILUTE THEM. PUNCH TO SWIM AND  
EVENTUALLY, I ANTICIPATE:

A ROW OF P-SI'S, SILENT DENTIN: DROWN DETENTION: A RED VAN:  
A GOLD () CHANGING TO BULL HEAD: A ROW OF INVERTED  
STAINLESS STEEL PAILS OVER THE SHERIDAN'S GARAGE: A BLACK  
DIAMOND BELOW WHICH WERE A ROW OF GOLD DIAMONDS. WE MAY  
INCLUDE:

- NOT ONLY IS THE "CLEAR AIR" ROUTE READY  
FOR PLANNED FLIGHT BUT SEVERAL UNIVERSE  
BRANCHES ARE ALSO READY

- THE ANTHROPOLOGICAL GROUP'S ANALYSIS IS  
SUFFICIENTLY WELL DEVELOPED TO APPLY  
TO VERY UNFAMILIAR CIVILIZATIONS.

- A FLOCK OF NICHROME / CERAMIC COILS  
APPEARED, DENOTING SEVERAL MORE  
DIFFICULT DISCONTINUOUS SUBSTRATA  
TRAVERSES.

(~~1/2~~ 1) TO VALIDATE SEVERAL BLACK ICE STALACTITES (AUGUSTED  
DIPANGLE IN THE XEROGRAMS WITH SUBSEQUENT HARD COPY.

YOU SHOULD EVALUATE THIS.

Paul Koster
