

Tom,

SHOULD THE DENDRITES SET, THE SET SHOULD DISCUSS THEM. PRIOR TO SUCH  
AN EVENTUALITY, I NOTICED:

A DRAW OF P-513, SILICENT DEATH: BRANK DETENTION: A RECORD:

A BLUE NICHROME/CERAMIC/ANGL. DEVS. WENT FROM SOUTH  
TO NORTH OVER BELL BLVD. FOLLOWING WHICH A GROUP OF (9)  
APPEARED OVER NORTHERN BLVD. WE MAY CONCLUDE:

THE ABSOLUTE AND DERIVED EXISTENCES HAVE  
OPINIONS REGARDING THE SPECIFICATIONS FOR  
OFFICE EQUIPMENT GENERALLY CONSISTENT  
WITH THE COMPONENTS OF THE ORGANIZATION  
OPERATING AT LEVELS DESCRIBED IN THE  
1-8-47 PM MEMORANDUM AS REVISED.

A ROW OF BLACK DIAMONDS, EACH UNDER A STAINLESS STEEL  
JAW FACED. BALANCE ON THE HOLDGRAMS WITH  
SUBSEQUENT HARD COPY.

YOU SHOULD EVALUATE THIS...

Paul Hester
