

Tom,

SHOULD THE DENDRITES STAY, THE IGT SHOULD DISCUSS THEM PRIOR TO ICHN AN EVALUATION, I NOTICED:

A ROW OF P-511, SILENT DENIAL: BRAIN DEFENTION: A RED VIBRANT  
MY HAIR TURNED GOLD. A LARGE BLUE DORR BELL AT THE  
WINDOW: A LARGE BLACK KNIFE WITH A BLACK/WHITE TOLLER  
BALL ABOVE IT. WE MAY CONCLUDE:

THE EXPLORATION PROGRAM REQUIRES  
SIGNIFICANT REFINEMENT.

A GOLD DORR BELL CALIBRATED A CLUSTER OF RED.   
EMPHASIZED.

DRAWERS CARRYING CASE 10. DON AMI: BALANCE ON THE  
HOLEGRAMS WITH SUBSEQUENT HARD COPY.

YOU SHOULD EVALUATE THIS.
