

Tom,

SHOULD THE DENDRITES STAY, THE IGT SHOULD DISMISS THEM. PRIOR TO GIN 7.
EVENTUALLY, I NOTICED:

: H RED VAN

A ROW OF INDIGO ARCHITECT'S SLATES APPEARED. AN INDIGO
(E) APPEARED IN THE SKY. A ROW OF GOLD (8) APPEARED.
SEVERAL PAIR OF RED/WHITE SWINGING DOORS APPEARED. A
SWEATER OR MAY L.L. BEAN SWEAT SHORTS AND SLACKS APPEARED
IN THE SKY. THE L.L. BEAN SLACKS RE-APPEARED (UNLIDED
WITH 8). SEVERAL DESKS SET ON TWO ROUND COLUMNS FILLED
INTO THE CARTESIANS. WE MAY CONCLUDE:

- THE BLACK ORCHID AND DERIVED EXISTENCES
AND THE LATEST THEORETICAL REFINEMENTS
SUPPORT THE HYPOTHESIS IN THE 8-24-96
MEMORANDUM.

A ROW OF VERY FAINT LOCOMOTIVES AND (5) WITH CALIBRATE
AND ENCOURAGE FURTHER REFINEMENT. BALANCE ON THE
HOLOGRAMS WITH SUBSEQUENT HARD COPY.

YOU SHOULD EVALUATE THIS.

Paul Koster
