IT STRUCK ME THAT THE NOTION THAT:

- MATTER IS A PRODUCT OF SPECIFIC CONDITIONS OF THE CONTINUUM

COULD BE EXPANDED. IF THE ASSUMPTION THAT GRAVITY OCCURS IN EUCLIDIAN AND NOT IN OTHER MANIFOLDS, IT WOULD BE REASONABLY EASY TO ARGUE:

- ENERGY FORMS ARE MANIFOLD SPECIFIC.

IT COULD WELL BE AT THIS POINT WE ARE AGAIN PRISONERS OF OUR EXPERIENCE. IT COULD WELL BE THAT:

- HUMAN THOUGHT CAN BE CONSIDERED A MANIFOLD

THERE IS YET ANOTHER LEVEL TO BE EXPLORED. BY NOW I THINK THE EVIDENCE IS VERY CONVINCING THAT WE HAVE ESTABLISHED A LIMITED DIALOGUE WITH A SENTIENT PRESENCE WHO OCCUPIES PRETTY MUCH THE WHOLE UNIVERSE. IF NOT, A CLOSE EQUIVALENT. THIS OPENS THE SPECULATION THAT:

- THERE EXISTS A MANIFOLD THAT HAS A CONSCIOUSNESS THAT CAN EXERT WILL AND THAT THIS MANIFOLD HAS NO FORM.

FROM A PURELY THEORETICAL VIEWPOINT, THE ABSENCE OF FORM IS SIMPLY AN ABSENCE OF CARTESIAN'S AND IS NOT A CONCEPTUAL PROBLEM.

THIS DISCOVERY PRESENTS A NUMBER OF OPPORTUNITIES:

· IF WE CAN DISCOVER THE SENTIENT PRESENCE'S VALUE STRUCTURE AND COMPARE THE ANTHROPOLOGICAL POLICIES TO IT, A UNIVERSE WIDE MENTOR WOULD BE VERY VALUABLE.

· THE FACT THAT SUCH A BEING EXISTS AND HAS BEEN FOUND OPENS UP NEW LEVELS IN THEORETICAL PHYSICS.

I AM INCLINED TO THINK:

· MANIPULOS HAVE DYNAMIC PROPERTIES THAT ARE NEITHER ENERGY, MATTER, NOR DIMENSIONS

WE ARE NOW APPROACHING THE LEVEL OF DEFINING PURE THOUGHT IN PHYSICAL TERMS, SO YOU PROBABLY WANT TO HAVE EXTENSIVE DISCUSSIONS ON THIS POINT.
