Tom,

SHOULD THE FERMI SURFACES STIR, THE SGT SHOULD DISCUS THEM. PRIOR TO SUCH AN EVENTUALITY, I NOTICED A BREATH OF A DISTURBANCE IN FRONT OF THE BLACK BILLBOARD ON THE WALL OF THE BAYSIDE BILLIARDS (LUB. AT 2:00 PM I NOTICED THREE MORE ELLIPSES IN THE SKY.

8:30 AM — THE MAP OF THE UNITED STATES IN LIGHT GREEN: (P=0), POSSIBLY REPRESENTING TWO MORE PLANETS THAT SHOULD BE MOVED.

10:01 AM — ANOTHER CAREER DISCUSSION INCLUDING STARTING UP SOME HEAVY ELECTRICAL EQUIPMENT. INCLUDED IN THE DISCUSSION WAS WHERE MY OFFICE SHOULD BE. THE POINT WAS MADE (WHERE MY OFFICE SHOULD BE) THAT I WOULD IDENTIFY WITH WHATEVER GROUP OCCUPIED THE SURROUNDING BUILDING AND REGARDLESS OF THE DEGREE OF DISCOMFORT THE OFFICE SHOULD BE IN A HOMOGENEOUS GROUP.

1:05 PM — A BLACK AND WHITE SOLER BALL.

3:00 PM — A HOCKEY GAME WITH SOME KIDS. THE ICE WAS SOFT AND THE TOILETS DIDN'T FLUSH AND WERE FOUL.

4:30 AM — WORKING OUT ON A GYM BAR: REFORMING AN APARTMENT: PUSHING A VOLVO INSTEAD OF DRIVING IT. SEEMS IT BELONGED TO SWEATH AND I GOT STUCK TAKING IT TO HIS HOUSE. CARL CARPMAN AND MY 1967 LANCIA WERE INVOLVED. SEEMS SOMEONE SET THE LANCIA RUNNING.

5:00 AM — (☞)

6:05 AM — AN OLD STYLE PEN WHICH YOU HAD TO DIP IN THE INK: SOME CHARTS RASING THE TOPS OF THEIR CONVERTIBLES: SOME PEOPLE WERE SUPPOSED TO BE PREPARING FOR A BIRTHDAY PARTY BUT WERE TOO LISTLESS TO START.
