

Tom,

SHOULD THE DENOTES STAY, THE SGT SHOULD DISCUSS THEM. PRIOR TO SUCH AN EVENTUALITY, I NOTICED:

BROWN DETENTION: A RED VAN;

A ROW OF GREEN LOCOMOTIVES, ONE WITH DRIVING WHEELS;
SEVERAL PAIR OF MY DRIVING GLOVES FLICKERED INTO THE
CARTESIANS. WE MAY CONCLUDE:

- THE BLACK ORCHID IS OFFERING SIGNIFICANT ENCOURAGEMENT TO COMPLETE AND INTERPRET THE CATALOG.

VERY FAINT MACHINED PUMP PARTS FLICKERED INTO THE
CARTESIANS, VALIDATING.

I WAS USING A SHOTGUN FOR A PURPOSE OTHER THAN
WHICH IT WAS INTENDED. I WAS SURPRISED THE BREECH OR
BARREL DID NOT EXPLODE. BALANCE ON THE HOLDGRAMS
WITH SUBSEQUENT HARD LORY.

I SHOULD EVALUATE THIS.
