

Tom,

KNOWING THE DENDRITES STIR, THE VGT SHOULD DILUTE THEM. PRIOR TO SUCH AN EVENTUALLY, I NOTICED:

A RED MAN:

TWO BLACK/WHITE WHEELS ON THE FLOOR: A ROW OF MY L.L. BEAN JACKETS EACH WITH A WHITE SCARF: A BLACK WINDSHIELD WIPER IN THE SKY: INDIGO STIRRERS COINCIDENT WITH EACH TURBINE FOLLOWING WHICH NICKROME / CERAMIC BEINGS APPEARED COINCIDENT WITH THE STIRRERS: WE MAY CONCLUDE:

- THE BEINGS CONSISTING HIGHLY DIFFERENTIATED SUBSTRATA HAVE DECIDED TO INDIVIDUALLY GUIDE THE NICKROME / CERAMIC BEINGS. "HIGHLY" TURNED RED.

A ROW OF VERY FAINT SHAPINGS EACH COINCIDENT WITH A NICKROME / CERAMIC BEING AND THE SPIRIT OF ST. LOUIS FLICKERED INTO THE CARTESIANS SUGGEST THAT ONCE THE TRUTES ARE PROVEN Homo SAPIENS SHOULD FLY THEM.

() A LARGE DUREL CONTAINING (←) AND A TEXAS GULF SULPHUR BALL. A HIGHLY SECURE MULTILEVEL BUILDING WITH ACRES OF COMPUTER TERMINALS, ABOUT 15%-20% OCCUPIED. THE PEOPLE APPEARED TO BE BUYING AND SELLING QUESTIONABLE DEBT. BALANCE ON THE HOLOGRAMS WITH SUBSEQUENT HARD COPY.

YOU SHOULD EVALUATE THIS.
