Tom

SHOULD THE DENDRITES STAY, THE SGT SHOULD DISCUSS THEM PRIOR TO SINKING  
EVENTUALLY, I NOTICED:

A ROW OF P-51'S, SILVER TONER: BROWN DETENTION: A RED VAN:

( $\begin{matrix} \uparrow & \uparrow & \uparrow & \uparrow \\ \vdots & \vdots & \vdots & \vdots \end{matrix}$ ): A RED/WHITE TOLLER BALL APPEARED COINCIDENT  
WITH EACH ( $\uparrow$ ): SEVERAL GOLD FOILS APPEARED ON THE TREES.

A VERTICAL PAPER CYLINDER: A RED/WHITE TOLLER BALL  
APPEARED COINCIDENT WITH ( $\vdots$ ) OF ( $\begin{matrix} \uparrow \\ \vdots \end{matrix}$ ). WE MAY CONCLUDE:

- ( $\uparrow$ ) ARE EXISTENCES WHO HAVE MADE  
THEIR PRESENCE KNOWN BUT REMAIN ON  
THE FAR SIDE OF UNCLOSED DISCONTINUA  
SUBSTRATA. ( $\begin{matrix} \uparrow \\ \vdots \end{matrix}$ ) ARE WITHIN REACH OF  
THE TIE TUNNEL.

( $\begin{matrix} \uparrow \\ \vdots \end{matrix}$ ), ( $\square$ ), PAPER, UNDATED THE PREMISES. BALANCE ON  
THE HOLOGRAMS WITH SUBSEQUENT HARD COPY.

YOU SHOULD EVALUATE THIS.

Paul Koster
