

Tom

THROUGH THE DEBRITES STR, THE SGT. INFLU. DILLES IN EN. PRIOR TO SOLN.  
AN EVENTUALLY, I NOTICED:

A ROW OF P-51'S, SIGHT DIPPEN: BRAVE DETENTION: A PROLAN:  
(.), INTERMEDIATE ILLUMINATION: A ROW OF BLACK MIRRORS:  
A GROUP OF BLACK/WHITE RIBBON KEYS. WE MAY CONCLUDE:

THE BLACK ORCHID AND DERIVED  
EXISTENCES ARE MAKING THE  
FACILITIES AVAILABLE. THE SGT  
HAS THE OBLIGATION TO  
DEVELOP THEM.

BLACK ORCHID IS CALIBRATE. "DEVELOP" TURNED OVER, CALIBRATING,  
BALANCE ON THE HELIGRAMS WITH SUBSEQUENT HARD COPY.

WILLING TO EVALUATE THIS.
