

Tom,

SHOULD THE DEMONSTRATION START, THE SGT SHOULD DISCUSS THEM... PRIOR TO
SUNRISE. IN EVENTUALITY, I NOTICED:

A ROW OF P-51'S, SILVER DORIS: BROWN DETENTON: A TRAIN
SEVERAL DIRECTING PENCILS APPEARED ON THE TABLE: A CLUSTER
OF GOLD LOCOMOTIVES: WE MAY CONCLUDE:

THE BLACK ORCHID AND DERIVED EXISTENCES
HAVE COLLIDED THE EVALUATION MENTIONED
IN THE 7-8-98 MEMORANDUM.

VERY EARLY GOLD LOCOMOTIVES VALIDATED BALANCE ON
THE HOLOGRAMS WITH SUBSEQUENT HARD COPY.

YOU SHOULD EVALUATE THIS.
