

Tom,

SHOULD THE DEPENDENCIES STAY, THE SGT SHOULD DILUTE THEM. PRIOR TO SUCH AN EVENTUALITY, I NOTICED:

[REDACTED]: BRAIN DETENTION: A RED VAN:  
A ROW OF LEVER ACTION ORANGE JUICE SQUEEZERS: MY BLACK HAT  
ON A PEG: SOME VERY FAINT EYEGLASSES: THE L.L. BEAN STONE SHORTS,  
COMPLETE WITH BELT, REPEATED AND BON AMI SUGAR CUBES FLICKERED  
INTO THE CARTESIANS. WE MAY CONCLUDE:

- THE BLACK VAN AND RELATED EXISTENCES SEE VALUE  
IN DUAL LONG LINES BECAUSE (I) THEY ARE INTERESTED IN  
THE COGNITION OF CARTESIAN LIFE FORMS AND (II) CARTESIAN  
COGNITION HAS BEEN CONTAGIOUS TO THE EXTENT THAT MORE  
DIMENSIONS HAVE BEEN ADDED TO THEIR OWN. THIS  
DEVELOPMENT DOES NOT DIRECTLY CONTRIBUTE TO THE  
STERILE FUNCTIONAL ASPECTS OF THE AGENDA, BUT DOES  
PROVIDE THE MANDATORY BASIS FOR THE EQUIVALENT OF  
THE INTERPERSONAL RELATIONSHIPS NECESSARY FOR  
COLLABORATION.

A PEN FLICKERED INTO THE CARTESIANS IN MY POCKET, ACKNOWLEDGING,

· (←○π), (○), A TEXAS GULF SOLANOR BALL: A LARGE HAND PLACED A  
BAND AID ON THE HAND OF ANOTHER: (☞): (☞): A FUNNEL THROUGH  
A RUBBER DOUGHNUT: VENE KELLEY AND FRED ASTAIRE IN SAILOR SUITS.  
I TOOK DRIOP ON A LITTLE TOUR THROUGH A COUPLE OF ATTRACTIVE  
TOWNS IN A CONVERTIBLE WITH THE TOP UP. A FAINT DARTBOARD  
WITH AN UNSEEN HAND THROWING BON AMI DARES. BALANCE ON  
THE HOLDGRAMS WITH SUBSEQUENT HARD COPY.

You should evaluate this.
