

Proposition 2
Acknowledgement

- I A quartz/graphite duffel descending vertically flickered into the Cartesians.
- II The primordial being's agenda includes a multifaceted exploration program, including but not limited to, (i) direct macro Cartesian observation, (ii) multilevel K/P time reversal scanners¹, (iii) multilevel long lines, (iv) formation of special purpose beings, (v) genetic and metabolic analyses, and (vi) allegorical translation used for both coaching and coordination.
- III My envelope turned black and ($\Rightarrow \otimes \Rightarrow \otimes \Rightarrow$). Flickered into the Cartesians, validating.
- IV ($\Rightarrow \otimes \Rightarrow$): An LST or LSI dropped the front gate and a red mustang coupe.

($\Rightarrow \otimes \Rightarrow$) Cartesian space adjacent to the first differentiation.

On Generation, 1.3.317a33-b16

Conditionality of Proposition 2

I None

II Accepting Proposition 3 will require refining Proposition 2 as follows:

Black orchid (vii) becomes: "Recommendation for generalized K/P time reversed
cognitive and metabolic reduction through proximate
extended platforms to the lower terminals

Black orchid (viii) becomes a decision point in establishing () *

Black orchid (ix) becomes: "Use black orchid (ii) to resolve, define, and place on black
orchid (iii) the nature and perceived limitations of the
substratum, potency and form of realization of the souls
which constitute the beings behind both the existing and
potential universes."

Black orchid (x) becomes: "Focus () *on changes in cognitive capacity
Include the results in black orchid (ii) and (iii).

III None

IV None
