Tom,

SHOULD THE FLAME SURFACES STIR, THE SGT SHOULD DISCUSS THEM. PRIOR TO SUCH AN EVENTUALITY, I NOTICED A SMALL VERTICAL LIGHT TRACE OVER THE ASPHALT ON NORTHERN BLVD.

11:45 PM — AN ITALIAN CAUGHT TRYING TO STEAL A CAR.

1:35 AM — WENT OUT SOCIALLY WITH PRES. CUNTON. HE WAS ABOUT TO UNVEIL A STRATEGY OF PROGRAMMED DEPRECIATION OF THE CURRENCY. I TOLD HIM HE WOULD ENCOUNTER STRONG RESISTANCE FROM GREENSPAN AND VOLKER AND HAD BETTER HAVE HIS ARGUMENTS ON THE TIP OF HIS TONGUE.

1:49 AM — TWO MORE ELLIPTICAL LIGHT TRACES AND A NEAR UV LIGHT SPOT ON THE TREE BEHIND SHERIDAN'S GARAGE. : A SMALL DISTURBANCE ON THE CLOCK FACE.

2:35 AM — A RECTANGLE WITH A BLACK AND WHITE PATTERN ON THE GROUND NEXT TO THE RIGHT FRONT WHEEL OF AN ISUZU TROOPER.

3:00 AM — GROUPS OF ELEMENTS THAT REMAINED PARALLEL AND WAVED IN UNISON. : (⊙) WITH THE SENSE THAT THIS (∩) WAS AN ARC OVER A SOLID ELLIPSE. : (∩⊙).
