

Tom

SHOULD THE DENDRITES STIP, THE S/I SHOULD DISCUSS THEM. PRIOR TO SUCH AN EVENTUALITY, I NOTICED:

A REDKAL:

SEVERAL GRANITE SLABS APPEARED AT RANDOM. A GOLD ROLL APPEARED, FOLLOWING WHICH A ROW OF GOLD SLABS APPEARED. WE MAY INCLUDE:

THE FORMATION OF THE BROWN BOARDS WILL FACILITATE TRAVERSE OF DIFFICULT DISCONTINUA SUBSTRATA AND IMPLEMENTATION OF SUBSEQUENT PROGRAMS.

A ROW OF FAINT GYROS VALIDATED.

A LARGE THUMB FLIPPED THROUGH THE PAGES OF A BOOK BALANCE ON THE HANDS WITH SUBSEQUENT HARD COPY.

YOU SHOULD EVALUATE THIS.

Paul Koster
