

Tom,

SHOULD THE FERMI SURFACES STUB, THE SGT SHOULD DISCUS THEM. PRIOR TO SUCH AN EVENTUALITY, I NOTICED A CLOUD APPEAR MOMENTARILY IN A CLEAR AREA OF THE SKY FOLLOWED BY A SMALL DISTURBANCE ON THE COPPER SPIRAL OF THIS TABLET. WHILE I WAS WATCHING CUNTON AND HIS ENTourage I NOTICED AN EXPLOSION ON THE BEAM OF THE LIVING ROOM CEILING, FOLLOWED BY A SMALL DISTURBANCE ON THE COPPER SPIRAL OF THE TABLET.

- A LIGHT BULB () ON THE LEFT SIDE OF THE TABLET : ()
- WHEN I FINISHED STAMPING MY POKER I NOTICED A LUMINESCENT GREEN SPOT ON MY LIGHTER : () : () IN ULTRAVIOLET : () IN ULTRAVIOLET : () IN VERY BRIGHT LIGHT : A FLURRY OF BANDS : () IN ULTRAVIOLET : () BARS IN ULTRAVIOLET, TRACES IN WHITE LIGHT WITH THE SENSE THAT THEY LAY IN A PLANE $\pm 90^\circ$ FROM THE PLANE OF THE BARS.
- () IN DARK TRACES : () IN LIGHT BANDS : () WITH THE DISTINCT IMPRESSION THE VERTICAL WAS SPHERICAL AND THE INCLINED CYLINDRICAL : () THE POOL IN WHITE THE TEXTURE OF CALCA : () RESEMBLING A GALAXY : EXPLOSIONS IN SEVERAL MORE SECTORS.
- () DOTS IN LAVENDER : () IN LIGHT ORANGE : () : () , () IN LUMINESCENT GREEN : () , () IN DIAMOND BLUE-WHITE, EXPLOSIONS AT THE ASTERISKS.
- A FLURRY TOO FAST TO FOLLOW REMAINS WITH () APPEARING ALL AT ONCE IN VERY THIN WHITE LIGHT.

- ONE WHERE I HAD A FOUNTAIN PEN THAT QUIT WORKING, COULDN'T FIND A PLACE TO GET IT FIXED. ALSO ONE ABOUT TELEPHONE SYSTEMS AND SWITCHING NETWORKS. SOME OF THEM MALFUNCTIONED.
- A MINI-BOLIDE AS SO (→) NORTH TO SOUTH JUST BELOW TREETOP LEVEL EAST OF THE GREEN HOUSE: (C).
- AN IMAGE OF MY EX SHORTLY AFTER HER STROKE.
- ONE, MAYBE TWO VERTICAL LIGHT TRACES IN THE SKY, FOLLOWED BY A HORIZONTAL LIGHT TRACE IN THE SKY.
- (C)

I'LL LEAVE THE ANALYSIS TO THE SGT.
