Tom,

SHOULD THE FERRARI SURPRISE'S STIR, THE SGT SHOULD DISCUSS THEM. PRIOR TO SUCH AN EVENTUALITY, I NOTICED AN ELECTRIC BLUE EXPLOSION ON THE GRASS ON 212ND ST. ON THE WAY TO GARDEN WORLD I NOTICED "CENTER" IN WHITE BLOCK LETTERS IN THE REAR WINDOW. THERE WERE SEVERAL MORE ELLIPSES.

8:00 AM — (☺) IN NEAR UV: A SET OF TEETH ON THE LOWER JAW THAT LOOKED LIKE MINE.

1:00 AM — GOT INVOLVED IN GETTING AID TO PEOPLE LIVING IN SQUALOR IN THE MIDDLE EAST AND FORGOT THE PRINCIPALS NAMES. AT ONE POINT ON LOCATION I BOUNCED THE CONTROLS OF AN ANCIENT PRESSURE VESSEL AND BLEW ALL THE SAFETY VALVES.

3:15 AM — ONE ABOUT TRAVELING IN INDIA. ONE OF MY TRAVELING COMPANIONS STARTED TO GET OBNOXIOUS.

6:00 AM — SOMEONE BEING TAKEN OUT OF A BUILDING ON A STRETCHER, (☺).

6:30 AM — (☺) PROBABLY REPRESENTING A PLANET DRIVE: (☺) IN NEAR UV.

I'LL LEAVE THE ANALYSIS TO THE SGT.
