

Tom,

SHOULD THE DERIVATES STAY, THE SGT SHOULD DISCUSS THEM. PRIOR TO SUCH AN EVENTUALITY,  
I NOTICED:

: A RED LAM:

A ROW OF WHITE HOLE REINFORCEMENTS WHICH TRANSFORMED TO  
BLACK. WE MAY CONCLUDE:

THE ADDITION OF THE METAMORPHOSIS HYPOTHESIS  
PROMPTED BY DAVID HAS ENABLED THE BLACK ORCHARD  
TO INCLUDE PREVIOUSLY "UNACCOUNTED FOR"  
DERIVED EXISTENCES.

() FLICKERED INTO THE CARTESIANS, VALIDATING.

() , (O) A TEXAS GULF SUMMUR BALL: THREE PEOPLE HAD A  
HOCKEY SCRIMPAGE: (~~aaa djjj~~): A SCREEN SHOWING A  
YELLOW STRIP WITH RED BORDERS. BALANCE ON THE HOLOGRAMS  
WITH SUBSEQUENT HARD COPY.

YOU SHOULD EVALUATE THIS.
