Tom,

SHOULD THE FERMIL SURFACTS SEAR, THE SGT SHOULD DISCUSS THEM. PRIOR TO SUCH AN EVENTUALITY, I NOTICED A LIGHT TRACE IN THE SKY BEHIND THE CLOCK TOWER OF THE DOWNSIDE FEDERAL BANK BUILDING. I ALSO NOTICED A MILL-BLADE ON THE CRACK OF THE SIDEWALK ON 212TH ST. AND SEVERAL LIGHT FLURS ON TREES ON 212TH ST.

7:35 PM — A SMALL DISTURBANCE ON THE ASPHALT OF 212TH ST.: A SMALL DISTURBANCE ON THE COOPER SPIRAL OF THIS TABLET.

11:15 PM — ONE ABOUT YORKTOWN HEIGHTS AND THE ROOTS OF THE CASE: I WAS AT THE START OF A BOARD MEETING, AND GOT DIARRHEA FROM EATING ORANGES.

1:25 AM — A BLACK DESIGNER TIE: A VINTAGE CAR TOTALLY RESTORED PAINTED IN BURGUNDY LACQUER: SOME TEETH FALLING OUT OF MY MOUTH, ONE WITH A LIVE NERVE EXTENDED: (E): (E): (9): (0) IN ELECTRIC BLUE: (A∇).

2:33 AM — (E): (E) REPEATED SEVERAL TIMES: (E): A FLURRY TOO FAST TO FOLLOW.

SOMEWHERE IN THERE WAS A (T) IN CANDY APPLE RED.

4:00 AM — OUT ON A POLICE MOTORCYCLE IN SNOW AND ICE. FORGOT MY CLIPBOARD. LOOKED IN THE TRASH TO SEE WHAT I COULD FIND: TWO COLUMNS AND LIONS IN ANTIQUE GOLD: A BLACK AND WHITE SOCCER BALL: (EOD).

I'LL LEAVE THE ANALYSIS TO THE SGT.
