Tom,

SHOULD THE FERRI SURFACES STIR, THE SGT SHOULD DISCUSS THEM. PRIOR TO SUCH AN EVENTUALITY, I NOTICED A SMALL DISTURBANCE ON THE LOWER SPIRAL OF THIS TABLET AND SEVERAL GENTS REACHING FOR THEIR POCKETS. I ALSO NOTICED A VERTICAL LIGHT TRACE IN THE SKY EASTWARD OVER NORTHOWN BLVD.

7:30 PM — AN EAR WITH SNOW RUNNING OUT OF IT: A SEMI ON THE WAY EAST ON THE LIE: (☀).

10:35 AM — ONE ABOUT BEING HARASSED IN A NUMBER OF SITUATIONS. ONE ENDED UP OVERTURNING A CAR IN A SCUFFLE.

2:20 AM — FLEW OVERSEAS ON AN ALL NIGHT FLIGHT. WAS LED TO BELIEVE THAT I WOULD BE PRESIDENT OF SOME SORT OF ASSOCIATION, WHEN I GOT THERE I FOUND OUT THAT A CRONY OF ONE OF THE MEMBERS APPOINTED SOMEONE ELSE. I GOT VERY IRRITATED: A SHORT LIGHT TRACE IN THE SOUTHERN SKY: A LIGHT AREA ON THE CARPET OF THE (CARPET) MY ROOM IN BAYSIDE: (☀): (☀): (☀): THE LUMIC STRIPS: (☀).

4:15 AM — (☀): (☀): A WHITE MG-TO.

5:45 AM — A YOUNG GIRL WHO I THOUGHT WAS ABANDONED STAYED WITH ME, WHEN I FOUND OUT HER FATHER WAS ALIVE I MENTIONED IT TO HER BUT SHE REFUSED TO DISCUSS IT.

5:56 AM — SOME PEOPLE GOING TO THE PRAIRIES: (☀): (☀): (☀).

I'LL LEAVE THE ANALYSIS TO THE SGT.
