

Tom,

SHOULD THE DENDRITES STIR, THE SGT. SHOULD DISCUSS THEM. PRIOR TO SUCH AN
EVENTUALITY, I NOTICED:

A RED VAN

A ROW OF PAL JACS, ONE IN BON HAI; A ROW OF FAIR ISLE VESTS
AND A LARGE BLACK MC DONALD'S COFFEE STIRRER; A SMALL
SCALPEL WITH (oo) BELOW PAL JAC. (CLOTHESLINES WITH CLOTHESPINS
AT SEVERAL LEVELS IN THE SKY; WE MAY CONCLUDE:

- THE BLACK DRUMMO HAS FOUND LOGIC IN PLATO AND
ARISTOTLE WHICH COMPLEMENTS OVID AND OTHERS
THAT PERMITS TRANSLATION OF HOMO SAPIENS
AND RELATED SPECIES EFFORTS INTO TERMS
INTELLIGIBLE TO REMOTE DERIVED EXISTENCES.

- THIS THEN SHOULD PERMIT THE DIALOGUE NECESSARY
FOR VERTICAL INTEGRATION.

AND A GOLD STANDBEE FLICKERED INTO THE
CARTESIANS, VALIDATING. A ROW OF FAINT ROSETTA STONES
FOLLOWED, REINFORCING. BALANCE ON THE HOLOGRAMS
WITH SUBSEQUENT HARD COPY.

You should evaluate this.
